FUTURETECH INSTITUTE OF TECHNOLOGY

Student Handbook and College Information Guide

Academic Year 2026–27

College Name	FutureTech Institute of Technology (short name: FIT)
Established	2008
Affiliation	Westmark State Technical University (WSTU)
Address	Plot 14, Innovation Avenue, Northfield Education Park, Harborview, Westmark State, India - 000 000
Programs	BCA, BBA, B.Tech Computer Engineering, B.Tech Information Technology, MCA, MBA
Phone / Email	+91 00000 55100 / info@futuretech.example
Website	www.futuretech.example

Contents

1. College Overview	8. Faculty and Support
2. Courses and Programs	9. Placement and Career Services
3. Admission Process (including fees)	10. Student Activities
4. Eligibility Criteria	11. Scholarships and Financial Assistance
5. Academic Information	12. College Rules and Regulations
6. College Facilities	13. Frequently Asked Questions
7. Departments	Appendix A. Contact Directory and Office Timings

This handbook is the official source of general information about FutureTech Institute of Technology for students, applicants and parents. Fees, dates and schedules given here are for Academic Year 2026–27. Dates marked as indicative are confirmed by the college through official notices each year.

1. College Overview

1.1 Basic Details

College Name	FutureTech Institute of Technology (FIT)
Established	2008
Managed By	FutureTech Education Society, a non-profit educational trust
Type	Private self-financed institute offering technical, management and computer applications programs
University Affiliation	Westmark State Technical University (WSTU). Degrees are awarded by WSTU.
Location	Plot 14, Innovation Avenue, Northfield Education Park, Harborview, Westmark State, India - 000 000
Campus Area	22 acres
Programs Offered	Six programs: BCA, BBA, B.Tech Computer Engineering, B.Tech Information Technology, MCA and MBA
Student Strength	About 1,600 students. The total sanctioned intake is 510 students each year.
Faculty	90 full-time faculty members; student-to-faculty ratio of about 18:1
College Timings	Classes: Monday to Friday, 9:00 AM to 4:30 PM. Saturday: 9:00 AM to 1:00 PM (labs, mentoring and activities).

1.2 Vision

To be a recognised centre of excellence in technology and management education that produces skilled, ethical and employable graduates who contribute to industry and society.

1.3 Mission

- To provide quality education in computing, engineering and management through a well-planned, up-to-date curriculum.
- To build practical skills through laboratory work, projects, internships and interaction with industry.
- To develop communication skills, discipline, teamwork and professional ethics in every student.
- To support students with mentoring, counselling, scholarships and career guidance.
- To encourage innovation, research and entrepreneurship among students and faculty.

1.4 About the College

FutureTech Institute of Technology was established in 2008 by the FutureTech Education Society. It is located in Northfield Education Park, Harborview, on a 22-acre campus. The college started with two programs, B.Tech Computer Engineering and BCA, and has grown to six programs across five departments. FIT follows a credit-based semester system prescribed by Westmark State Technical University. An Internal Quality Assurance Cell (IQAC) reviews teaching, examinations and student services every year. The core values of the college are integrity, discipline, innovation and inclusion.

Program milestones: B.Tech Computer Engineering and BCA started in 2008; BBA in 2010; B.Tech Information Technology in 2012; MCA in 2014; MBA in 2016. The new Central Library building and the AI and Data Science Lab were opened in 2019.

2. Courses and Programs

2.1 Programs at a Glance

Program	Level	Duration	Semesters	Annual Intake	Department
BCA (Bachelor of Computer Applications)	Undergraduate	3 years	6	120	Computer Applications
BBA (Bachelor of Business Administration)	Undergraduate	3 years	6	90	Management
B.Tech Computer Engineering	Undergraduate	4 years	8	120	Computer Engineering
B.Tech Information Technology	Undergraduate	4 years	8	60	Information Technology
MCA (Master of Computer Applications)	Postgraduate	2 years	4	60	Computer Applications
MBA (Master of Business Administration)	Postgraduate	2 years	4	60	Management

2.2 Duration, Eligibility and Basic Admission Requirements

Program	Duration	Minimum Eligibility (summary)	Basic Admission Requirement
BCA	3 years	10+2 in any stream with Mathematics or Computer Science/IT as a subject; at least 50% marks	Merit based on 10+2 aggregate percentage; counselling interview for shortlisted candidates
BBA	3 years	10+2 in any stream; at least 50% marks	Merit based on 10+2 aggregate percentage; counselling interview for shortlisted candidates
B.Tech Computer Engineering	4 years	10+2 with Physics, Mathematics and one more approved subject; at least 50% in these three subjects	Merit score from entrance test (WCET or equivalent) and 10+2 marks
B.Tech Information Technology	4 years	Same as B.Tech Computer Engineering	Merit score from entrance test (WCET or equivalent) and 10+2 marks
MCA	2 years	Bachelor's degree with Mathematics at 10+2 or graduation level; at least 50% marks	FIT-PGAT or equivalent entrance score, bachelor's marks, group discussion and personal interview
MBA	2 years	Bachelor's degree in any discipline; at least 50% marks	FIT-PGAT or equivalent entrance score, bachelor's marks, group discussion and personal interview

Candidates from reserved categories (SC, ST, OBC, EWS and PwD, as per Westmark State Government rules) get a 5% relaxation, so the minimum marks become 45%. Detailed eligibility is given in Section 4.

2.3 Specialisations and Electives

- B.Tech Computer Engineering: elective tracks in Artificial Intelligence and Machine Learning, Data Science, and Embedded Systems from Semester 5.
- B.Tech Information Technology: elective tracks in Cyber Security, Cloud Computing, and Web and Mobile Technologies from Semester 5.
- BCA: electives in Web Development, Data Analytics and Mobile Application Development from Semester 4.
- BBA: specialisation in Finance, Marketing or Human Resource Management chosen at the start of Semester 5.
- MCA: electives in Artificial Intelligence, Cloud Computing and Cyber Security from Semester 3.
- MBA: specialisation in Finance, Marketing, Human Resource Management or Business Analytics chosen at the start of Semester 3.

3. Admission Process

3.1 Application Process

Step	Activity	Details
1	Online registration	Register on www.futuretech.example and pay the application fee online.
2	Submit application form	Fill in personal and academic details, select up to two programs in order of preference, and upload documents.
3	Entrance test / merit assessment	B.Tech: WCET or equivalent score. MCA and MBA: FIT-PGAT or equivalent score. BCA and BBA: 10+2 marks.
4	Interview	Group discussion and personal interview for MCA and MBA; counselling interview for shortlisted BCA and BBA candidates.
5	Merit list	The college publishes the merit list on its website and notice board.
6	Document verification	Selected candidates bring original documents to the Admissions Office (Section 3.3).
7	Fee payment and confirmation	Payment of Installment 1 confirms the admission (Sections 3.5 and 3.6).
8	Orientation	New students attend the orientation programme before classes begin.

3.2 Indicative Admission Schedule

Activity	Date
Application opens	1 March
Last date for applications (Round 1)	31 May
FIT-PGAT (for MCA and MBA)	Second Sunday of June
Group discussion and personal interviews	Last week of June
First merit list (all programs)	1 July
Document verification and Installment 1 payment (first list)	By 8 July
Second merit list	12 July; confirmation by 17 July
Orientation programme	15 to 18 July
Classes begin	20 July
Last date for admission to vacant seats	31 July

The application fee is Rs. 1,000 for undergraduate programs and Rs. 1,200 for postgraduate programs. It is non-refundable. One application can list up to two programs of the same level.

3.3 Required Documents

Original documents are checked at verification and one set of self-attested photocopies is submitted.

- Class 10 mark sheet and Class 12 mark sheet (all candidates).
- School Leaving or Transfer Certificate, and Migration Certificate if the previous board or university is outside Westmark State.
- Entrance test score card (B.Tech, MCA and MBA, where applicable).
- Bachelor's degree mark sheets of all semesters or years (MCA and MBA). Final-year students must submit the final mark sheet within 45 days after classes begin.
- Government-issued photo ID and four recent passport-size photographs.
- Category certificate (SC, ST, OBC, EWS or PwD), if claiming reservation or relaxation.
- Gap certificate or affidavit, if there is a gap of more than one year after the last examination.
- Income certificate, if applying for a need-based scholarship.
- Anti-ragging undertaking signed by the student and one parent or guardian (form provided by the college).

3.4 Eligibility Verification

The Admission Committee verifies marks, subjects, category certificates and identity documents against the original records. The minimum-marks rule of the program (Section 4) is checked on the verified marks, not on the marks entered in the online form. A candidate whose documents do not match the application, or who does not meet the eligibility criteria, is not admitted, and any admission already given is cancelled. Admission is provisional until all original documents are verified and the pending documents (such as a final-year mark sheet) are submitted within 45 days after classes begin.

3.5 Admission Confirmation

Admission is confirmed when the candidate (a) has been selected in a merit list, (b) has passed document verification and (c) has paid Installment 1 of the fees. The student then receives an admission confirmation letter, a fee receipt and a temporary ID slip, which is valid for 15 days until the permanent ID card is issued. A selected candidate who does not complete verification and payment by the date given for the merit list loses the seat, and the seat moves to the next candidate.

3.6 Fee Payment

The fees below are for Academic Year 2026–27. The college may revise tuition fees each year by a maximum of 5%, and the revised fees are announced before admissions open.

Program	Annual Tuition Fee (Rs.)	Total Payable in Year 1 (Rs.)	Total Payable per Year from Year 2 (Rs.)
BCA	65,000	98,000	85,000
BBA	60,000	93,000	80,000
B.Tech Computer Engineering	1,20,000	1,53,000	1,40,000

Program	Annual Tuition Fee (Rs.)	Total Payable in Year 1 (Rs.)	Total Payable per Year from Year 2 (Rs.)
B.Tech Information Technology	1,15,000	1,48,000	1,35,000
MCA	85,000	1,18,000	1,05,000
MBA	1,10,000	1,43,000	1,30,000

Total payable in Year 1 = annual tuition fee + one-time admission fee (Rs. 8,000) + development fee (Rs. 15,000) + examination fee for two semesters (Rs. 5,000) + refundable caution deposit (Rs. 5,000). From Year 2 the total is tuition fee + development fee + examination fee for two semesters (Rs. 20,000 in all).

Fee Component	Amount	Remarks
Application fee	Rs. 1,000 (UG) / Rs. 1,200 (PG)	Non-refundable
One-time admission fee	Rs. 8,000	Paid once at admission
Development fee	Rs. 15,000 per year	Covers library, labs, Wi-Fi, sports, gym, medical room and group accident insurance
Examination fee	Rs. 2,500 per semester	For regular semester examinations
Caution deposit	Rs. 5,000 (one time)	Refundable after course completion or withdrawal, after no-dues clearance
Hostel (optional)	Rs. 96,000 per year	Shared room with mess. Refundable hostel security deposit of Rs. 10,000 (one time).
College transport (optional)	Rs. 18,000 per year	Bus service on notified routes
Parking permit	Rs. 500 (two-wheeler) / Rs. 1,500 (four-wheeler) per year	Issued by the Security Office
Backlog examination fee	Rs. 800 per theory course / Rs. 500 per practical course	For re-examination (Section 5.8)
Re-evaluation / answer script copy	Rs. 1,000 per course / Rs. 500 per course	Application within 7 days of results
Attendance condonation fee	Rs. 500 per course	For condonation of shortage (Section 5.6)
Duplicate ID card	Rs. 200	For lost or damaged ID card
Late fee	Rs. 100 per day, up to 15 days (maximum Rs. 1,500)	For delayed payment of an installment

Installments, Payment Mode and Refund

- Installment 1 (at admission): 50% of annual tuition fee, one-time admission fee, development fee, caution deposit and Semester 1 examination fee.
- Installment 2 (by 10 January): remaining 50% of tuition fee and Semester 2 examination fee. For continuing students, Installment 1 is due by 31 July.
- Payment modes: online (UPI, net banking, debit or credit card), NEFT/RTGS, or demand draft in favour of "FutureTech Institute of Technology". Cash is not accepted.
- Students with unpaid dues are not given hall tickets for end-semester examinations.

Date of Withdrawal	Refund
On or before 10 July	All fees paid are refunded except the application fee and a processing fee of Rs. 3,000
11 July to 31 July	50% of tuition fee paid and the caution deposit are refunded; other fees are not refunded
After 31 July	No tuition fee refund; caution deposit is refunded only after no-dues clearance

Refunds are made to the original payment source within 21 working days after the written withdrawal request, signed by the student and parent or guardian, is accepted.

4. Eligibility Criteria

Program	Qualification and Subjects	Minimum Marks	Selection Basis
BCA	10+2 (or equivalent) in any stream, with Mathematics or Computer Science/IT/Informatics Practices as a subject	50% aggregate (45% for reserved categories)	10+2 aggregate percentage; counselling interview for shortlisted candidates
BBA	10+2 (or equivalent) in any stream	50% aggregate (45% for reserved categories)	10+2 aggregate percentage; counselling interview for shortlisted candidates
B.Tech Computer Engineering	10+2 with Physics and Mathematics as compulsory subjects, and one of Chemistry, Computer Science, Electronics, Biotechnology or Biology	50% in Physics, Mathematics and the third subject together (45% for reserved categories)	Admission Merit Score: 60% entrance test (WCET or equivalent) and 40% 10+2 marks in these three subjects
B.Tech Information Technology	Same as B.Tech Computer Engineering	Same as B.Tech Computer Engineering	Same as B.Tech Computer Engineering
MCA	Bachelor's degree (BCA, B.Sc, B.Tech, BBA, B.Com or any other 3-year or 4-year degree) with Mathematics at 10+2 level or at graduation level	50% aggregate in bachelor's degree (45% for reserved categories)	Merit: 50% FIT-PGAT or equivalent score, 30% bachelor's marks, 20% group discussion and interview
MBA	Bachelor's degree in any discipline (3-year or 4-year)	50% aggregate in bachelor's degree (45% for reserved categories)	Merit: 50% FIT-PGAT or equivalent score, 30% bachelor's marks, 20% group discussion and interview

General Eligibility Conditions

- Undergraduate applicants must be at least 17 years old on 31 December of the year of admission. There is no upper age limit for any program.
- WCET means the Westmark Common Entrance Test. FIT-PGAT means the FIT Postgraduate Admission Test conducted by the college. A valid score in a recognised state-level or national-level entrance test is accepted as an equivalent.
- Applicants from boards or universities outside Westmark State must submit an equivalence or migration certificate where applicable.
- Final-year bachelor's students may apply for MCA and MBA, but must submit the final mark sheet within 45 days after classes begin. The 50% (or 45%) condition applies to the final result.
- Work experience is not required for MCA or MBA.
- Lateral entry (direct admission to the second year) is not offered in any program at present.

5. Academic Information

5.1 Academic Year and Semester System

The academic year runs from July to June. FIT follows a credit-based semester system. Each year has two semesters: the odd semester (July to December) and the even semester (January to May). Undergraduate B.Tech has 8 semesters, BCA and BBA have 6 semesters, and MCA and MBA have 4 semesters. The summer vacation is used for internships. Teaching periods are 50 minutes long. The holiday list is issued in July and follows the Westmark State Government calendar.

Event	Odd Semester	Even Semester
Classes begin	20 July (orientation 15 to 18 July)	5 January
Mid-semester Test 1	Last week of August	Last week of February
Mid-semester Test 2	Second week of October	Last week of March
Teaching ends	30 November	30 April
End-semester examinations	3 to 20 December	4 to 22 May
Break / vacation	Winter break: 21 December to 4 January	Summer vacation: 23 May to 19 July
Results declared	By 15 January	By 20 June

5.2 Examination System

Each theory course carries 100 marks: 40 marks for internal assessment and 60 marks for the end-semester written examination (3 hours). Each laboratory course carries 100 marks: 50 marks for continuous lab evaluation and 50 marks for the external practical/viva examination. Project and internship courses are assessed by internal evaluation and an external viva. End-semester examinations are conducted by the college Examination Cell as per the WSTU scheme, and hall tickets are issued one week before the examinations.

5.3 Internal Assessment (40 Marks per Theory Course)

Component	Marks	Details
Mid-semester tests	20	Two tests of 20 marks each; the average of the two is counted
Assignments, quizzes and presentations	10	Continuous work during the semester
Lab work, mini project or class participation	5	As defined by the course teacher
Attendance	5	Above 95%: 5 marks; 90 to 95%: 4; 85 to 89%: 3; 80 to 84%: 2; 75 to 79%: 1; below 75%: 0

5.4 Grading

Marks (%)	90-100	80-89	70-79	60-69	50-59	45-49	40-44	Below 40
Grade	O	A+	A	B+	B	C	P	F (Fail)
Grade Points	10	9	8	7	6	5	4	0

SGPA (Semester Grade Point Average) and CGPA (Cumulative Grade Point Average) are calculated on a 10-point scale, weighted by course credits.

5.5 Passing Criteria

- Theory course: at least 40% in the end-semester examination (24 out of 60) and at least 40% in the course total (40 out of 100).
- Laboratory course: at least 40% in the external practical/viva (20 out of 50) and at least 40% in the course total (40 out of 100).
- A student who does not meet these conditions gets grade F and must clear the course through re-examination.
- Degree award: the student must pass all courses, complete the internship and project, and have a CGPA of at least 5.0.
- Degree classification: CGPA of 7.5 or above is First Class with Distinction; 6.0 to 7.49 is First Class; 5.0 to 5.99 is Second Class.

5.6 Attendance Requirements

- The minimum attendance is 75% in each course (theory and laboratory counted separately). Attendance is calculated for the whole semester.
- Students with attendance from 65% to below 75% in a course can apply for condonation with a valid reason, such as a medical certificate. The condonation fee is Rs. 500 per course. Condonation can be given a maximum of two times in the whole program.
- Students with attendance below 65% in a course are detained in that course, are not allowed to write its end-semester examination, and must repeat the course in the next academic year.

- Duty leave of up to 10 days per semester is counted as present for students taking part in college-approved events, with the written approval of the faculty coordinator.

5.7 Result Declaration and Re-evaluation

Results are declared as per the calendar in Section 5.1. A student can apply for a copy of the answer script (Rs. 500 per course) or re-evaluation (Rs. 1,000 per course) within 7 days of the result declaration through the Examination Cell. If re-evaluation changes the marks, the higher marks are final. Re-evaluation is available only for theory courses.

5.8 Re-examination (Backlog) Rules

- A student who gets grade F or was absent in a course can appear in the re-examination for that course. The fee is Rs. 800 per theory course and Rs. 500 per practical course.
- Backlog papers of odd semesters are held with the even-semester examinations (May), and backlog papers of even semesters are held with the odd-semester examinations (December).
- A special supplementary examination is held in July only for final-semester students who have one or two backlog courses.
- Internal assessment marks obtained earlier are carried forward for re-examination. A student detained for shortage of attendance must repeat the course and its internal assessment.
- A student can move to the next semester even with backlogs, if attendance and fee conditions are met. All backlogs must be cleared to get the degree.
- A course can be attempted a maximum of four times (one regular attempt and three re-examinations). The maximum time to complete a program is the normal duration plus two years for undergraduate programs and plus one year for postgraduate programs.

6. College Facilities

Facility	Details	Timings
Computer labs	8 labs with 390 systems in total (Section 6.1). General lab systems have Intel Core i5 processors, 16 GB RAM and 512 GB SSD.	Mon-Fri 9:00 AM-5:00 PM; Sat 9:00 AM-1:00 PM. Up to 8:00 PM with faculty permission for project work.
Central Library	3-floor building; about 42,000 books, 120 print journals and magazines, over 10,000 e-books and e-journal access; reading hall for 300; digital library with 40 terminals.	Mon-Sat 8:30 AM-7:00 PM; till 9:00 PM during end-semester examinations; closed on Sundays and holidays.
Wi-Fi	Campus-wide Wi-Fi with 120 access points, a 1 Gbps main internet link and 500 Mbps backup link. Each student gets personal login credentials and can use up to 2 devices.	Academic blocks 7:00 AM-9:00 PM; hostels 24 hours.
Classrooms	48 classrooms with projectors and audio systems (12 with interactive smart boards) and 6 tutorial rooms.	Mon-Fri 9:00 AM-4:30 PM
Seminar halls	Main Auditorium (600 seats), Seminar Hall 1 (200 seats), Seminar Hall 2 (120 seats), Seminar Hall 3 (80 seats) and a conference room (30 seats). Booking is through the Student Affairs Office at least 7 days in advance.	As per booking
Sports facilities	Cricket ground with practice nets, football field, 2 basketball courts, 2 volleyball courts, 4 indoor badminton courts, table tennis, indoor games room (chess and carrom) and a gym. Included in the development fee.	Mon-Sat 6:00 AM-8:30 AM and 4:30 PM-7:00 PM
Cafeteria	Main cafeteria with seating for 250 serving vegetarian breakfast, lunch and snacks at subsidised prices (a typical lunch meal costs about Rs. 60), and a snack counter.	Mon-Sat 8:00 AM-6:00 PM
Parking	Separate parking for students, staff and visitors: about 800 two-wheeler and 150 four-wheeler spaces for students. A parking permit from the Security Office is required. Helmets are compulsory and the speed limit is 15 km/h.	Campus gate open 7:30 AM-7:00 PM
Medical / first-aid	First-aid and medical room in the Administrative Block with a nurse, 2 rest beds and basic medicines. A visiting doctor is available. Ambulance support and a tie-up with a nearby multi-speciality hospital for emergencies. Group accident insurance is included in the development fee.	Nurse 9:00 AM-5:00 PM; doctor Mon-Sat 10:00 AM-4:00 PM; emergencies 24 hours via Security Control Room (ext. 100)
Hostels	Boys' hostel (240 beds) and girls' hostel (160 beds) with shared rooms, mess, Wi-Fi and a warden in each. Hostel in-time is 9:30 PM. Rooms are allotted after admission confirmation, first-come first-served.	24 hours for residents
Transport	College buses on notified routes in and around Harborview (Rs. 18,000 per year).	Morning and evening trips

6.1 Computer Labs

Lab	Systems	Used For
Programming Labs 1, 2 and 3	60 each (180)	Programming, data structures, web development; shared by all departments
Database and Software Engineering Lab	60	DBMS, software engineering, testing tools
Networking and Cyber Security Lab	40	Computer networks, network security, ethical hacking exercises
AI and Data Science Lab	30 high-performance GPU workstations	Machine learning, deep learning, data science projects
IoT and Embedded Systems Lab	30 workstations plus sensor and microcontroller kits	Embedded systems and IoT projects
Business Analytics and Simulation Lab	50	Spreadsheet modelling, analytics tools, business simulations

6.2 Library Services

- Membership is automatic with the college ID card. Undergraduate students can borrow 3 books for 14 days; postgraduate students can borrow 4 books for 14 days. One renewal of 7 days is allowed if no other student has reserved the book.
- Reference books, journals, project reports and previous question papers are for use in the library only.
- Book Bank: students receiving a need-based scholarship can borrow up to 4 textbooks for a full semester.
- Remote access to e-books and e-journals is available through the college Wi-Fi and student login.

7. Departments

FutureTech Institute of Technology has five academic departments. Each department is led by a Head of Department (HoD) who is a senior faculty member.

Department	Programs	Faculty	Key Labs and Focus Areas
Computer Engineering	B.Tech Computer Engineering	22	AI and Data Science Lab, IoT and Embedded Systems Lab. Focus: algorithms, operating systems, computer architecture, artificial intelligence, machine learning, embedded systems.
Information Technology	B.Tech Information Technology	16	Networking and Cyber Security Lab, Database and Software Engineering Lab. Focus: web technologies, cloud computing, cyber security, databases, software engineering.
Management	BBA, MBA	18	Business Analytics and Simulation Lab. Focus: finance, marketing, human resource management, business analytics, entrepreneurship.
Computer Applications	BCA, MCA	20	Programming Labs 1 to 3 (shared). Focus: programming, application development, web and mobile apps, data analytics, cloud computing.
Science and Mathematics	Supports all programs	14	Physics Lab and Language and Communication Lab (30 seats). Focus: engineering mathematics, discrete mathematics, statistics, physics, business mathematics, communication skills.

The five departments have 90 faculty members in total (22 + 16 + 18 + 20 + 14). Of these, 36 hold a Ph.D. degree. The Department of Science and Mathematics teaches first-year foundation courses to B.Tech, BCA and BBA students and mathematics and statistics courses to MCA and MBA students.

8. Faculty and Support

8.1 Faculty Mentoring

Every student is assigned a faculty mentor at the start of the first semester. A mentor group has up to 20 students and stays with the same mentor for the whole program unless the mentor leaves the college. The mentor meets the group at least once a month during the Saturday mentoring period, reviews attendance, internal marks and results, and keeps a mentoring record. Faculty members are also available for subject doubts for at least 3 hours a week as per the displayed consultation timetable. Remedial classes are held on Saturdays for students who score below 40% in a mid-semester test.

8.2 Student Support Services

Service	Where / Who	How to Access
Academic counselling	Student Counselling Centre, Administrative Block (first floor); two qualified counsellors	Walk in or book an appointment, Mon-Sat 10:00 AM-4:00 PM. Conversations are kept confidential.
Career guidance	Training and Placement Cell and department career advisors	Career counselling sessions each semester; individual guidance on request
Scholarship and fee help	Accounts Office and Scholarship Desk, Administrative Block (ground floor)	Visit the office or write to accounts@futuretech.example
Examination queries	Examination Cell, Administrative Block (first floor)	Visit the office or write to exams@futuretech.example
Grievance redressal	Grievance Redressal Committee	Submit a written complaint or email grievance@futuretech.example; a reply is given within 7 working days
Anti-ragging and anti-harassment	Anti-Ragging Committee and Internal Complaints Committee (ICC)	Report in person or by email; complaints are handled confidentially
Health	Medical room (Administrative Block)	See Section 6

8.3 Academic Counselling

Academic counselling helps students with course selection, elective and specialisation choice, study planning, exam stress, attendance problems and difficulty in adjusting to college. Students who have a low CGPA, a backlog or low attendance are called for counselling by the mentor and the counsellor. Students can also approach the Student Counselling Centre on their own.

8.4 Career Guidance and Placement Support

Career guidance includes career talks, guidance on higher studies, resume workshops and entrepreneurship guidance through the Entrepreneurship and Management Club. The Training and Placement Cell supports training, internships, mock interviews and campus drives (Section 9).

9. Placement and Career Services

9.1 Placement Cell

The Training and Placement Cell is located on the second floor of the Administrative Block. It is led by the Training and Placement Officer (TPO), with one faculty coordinator from each of the five departments and student coordinators from the final year. The cell invites companies, schedules recruitment drives, organises training and keeps placement records. The placement season runs from August to April for final-year students.

9.2 Eligibility to Take Part in Campus Placements

- Registration with the Placement Cell (free of charge) and attendance of at least 75%.
- CGPA of at least 6.0 and no active backlogs at the time of the drive.
- Completion of the aptitude and technical training modules for the program.
- One-offer policy: a placed student cannot sit for further drives, except for a "dream" offer with a package at least 1.5 times the earlier package.

9.3 Training Programs

Program	Details	Schedule
Aptitude training	Quantitative aptitude, logical reasoning and verbal ability, with weekly practice tests	From Semester 3 for BCA, BBA and B.Tech; from Semester 1 for MCA and MBA; 2 sessions a week
Technical training	B.Tech/BCA/MCA: data structures, SQL and databases, web development, cloud basics, coding practice. BBA/MBA: Excel, data analytics, financial and marketing tools.	Semesters 4 to 6 (UG) and Semester 2 onward (PG); also bootcamps in the vacation
Soft-skill training	Communication, group discussion, presentation, resume writing, email and workplace etiquette	Semesters 1 and 2, and again before the placement season
Mock interviews	At least two mock interview rounds (technical and HR) and group discussion practice for every final-year student, conducted by faculty and industry experts	June to August before the placement season

9.4 Internships and Final-Semester Projects

Program	Compulsory Internship	Final-Semester Work
B.Tech (CE and IT)	8 weeks after Semester 6 (summer vacation)	Semester 8: major project or industrial internship
BCA and BBA	4 weeks after Semester 4 (summer vacation)	Semester 6: project work
MCA and MBA	6 weeks after Semester 2 (summer vacation)	Semester 4: project work or industry internship

The Placement Cell helps students find internships through company contacts, and students may also find their own internships with the approval of the HoD. An internship report and a presentation are required for evaluation.

9.5 Industry Interaction

- Guest lectures by industry professionals, at least two each month across the college.
- Industrial visits and expert workshops each year; each program has at least one industrial visit a year.
- An Industry Advisory Board meets once a year to review the curriculum and training needs.
- Alumni talks and mentoring sessions; the Alumni Association supports internships and referrals.

9.6 Placement Summary for 2025–26

Item	Figure
Students registered for placement	450
Students placed	369 (82%)
Companies that visited the campus	85
Highest package	Rs. 18.5 lakh per annum (LPA)
Average package	Rs. 4.8 LPA
Lowest package	Rs. 2.8 LPA
Main sectors of recruitment	IT services and software, banking and finance, consulting and analytics, e-commerce, manufacturing and logistics

These figures are for the 2025–26 batch and may change from year to year. They are not a guarantee of placement.

10. Student Activities

Event / Activity	Type	Typical Time of Year
Freshers' Welcome	Cultural and social	August
CodeStorm	24-hour hackathon open to all programs	September
Pinnacle	Annual sports meet (cricket, football, basketball, volleyball, badminton, table tennis, athletics)	January
Spectrum	Annual cultural fest (music, dance, drama, art, literary events)	February
TechVista	Annual technical fest (coding contests, project exhibition, robotics, quizzes, paper presentations)	March
Annual Day	Prize distribution and cultural programme	April
Workshops	Technical and skill workshops such as web development, cloud, cyber security, data analytics, public speaking	At least one each month
Seminars and expert talks	Technology, management and career seminars	Throughout the year

10.1 Clubs

Club	Focus
Coding Club	Competitive programming, open-source projects and coding contests
Robotics and IoT Club	Robotics, sensors, microcontroller and IoT projects
AI and Data Science Club	Machine learning projects, data challenges and study groups
Cyber Security Club	Security awareness, capture-the-flag contests and workshops
Entrepreneurship and Management Club	Business plan contests, startup talks, case studies and management events
Cultural Club	Music, dance, drama and fine arts
Literary and Debating Club	Debates, quizzes, creative writing and public speaking
Photography and Media Club	Photography, video and college social media
Community Outreach Club	Blood donation camps, tree plantation, digital literacy and social service
Sports Club	Training and team selection for inter-college tournaments

10.2 Participation

Any student can join a club by applying to the faculty coordinator at the start of the odd semester. A Student Council is formed each August through nomination and selection by a faculty panel; it helps organise events and brings student suggestions to the administration. Students taking part in approved events get duty leave of up to 10 days per semester (Section 5.6). Event dates are announced on the notice boards and the college website.

11. Scholarships and Financial Assistance

Scholarship	Benefit	General Eligibility	Continuation
FIT Admission Merit Scholarship	Ranks 1 to 3 in each program: 50% tuition fee waiver in Year 1. Ranks 4 to 10: 25% waiver in Year 1.	Based on the merit list rank at admission	Continues if CGPA is at least 8.0 (ranks 1 to 3) or 7.5 (ranks 4 to 10), with 75% attendance
Academic Excellence Scholarship	20% tuition fee waiver for CGPA of 9.0 or above; 10% for CGPA of 8.5 to 8.99	Continuing students, based on the previous year's CGPA; no backlogs	Reassessed every year
Need-Based Financial Assistance	Up to 30% tuition fee waiver, and Book Bank access	Annual family income below Rs. 4,00,000 with income certificate; at least 60% in the last qualifying examination or CGPA of at least 6.0	Reviewed every year; 75% attendance required
Women in Technology Scholarship	10% tuition fee waiver for female students in B.Tech and MCA	At least 60% in the last qualifying examination or CGPA of at least 6.5	Continues with CGPA of at least 6.5
Sports and Cultural Excellence	10% tuition fee waiver for state-level achievement; 25% for national-level achievement	Certificate of participation or medal in a recognised event within the last 2 years	Reviewed every year
Armed Forces Family Concession	10% tuition fee waiver	Children of serving or retired armed forces personnel, with proof of service	Continues every year

11.1 General Conditions

- Scholarships given by the college reduce the tuition fee only. They do not cover other fees. The total waiver from college scholarships for one student cannot exceed 50% of the tuition fee.
- Applications are made on the scholarship form at the Scholarship Desk with the supporting documents, by 31 July of the academic year. The Scholarship Committee decides within 15 days.
- A student under disciplinary action or with attendance below 75% in the previous year is not eligible for renewal.
- A waiver approved after fees have been paid is adjusted against the next installment.

11.2 Government Scholarships and Education Loans

- Students from SC, ST, OBC, EWS and minority categories can apply for scholarships of the Westmark State Government through the state scholarship portal. The college verifies the application and fee details and forwards them within the portal deadline.
- The Accounts Office issues a fee structure letter and bonafide certificate within 3 working days for students applying for an education loan from a bank.

12. College Rules and Regulations

12.1 Attendance Rules

The minimum attendance is 75% in each course. Students with 65% to below 75% may apply for condonation (Rs. 500 per course, maximum two times in the program); students below 65% are detained in the course. Full details are in Section 5.6.

12.2 Examination Rules

- Students must carry the hall ticket and the college ID card to every examination. Entry is allowed only for students with 75% attendance (or approved condonation) and no unpaid dues.
- Report to the examination hall 15 minutes before the start. A student is not allowed to enter after 30 minutes from the start of the paper and cannot leave before the first 60 minutes are over.
- Mobile phones, smart watches, calculators (except where allowed in the question paper), notes and any electronic devices are not allowed in the hall.
- Unfair means (copying, passing information, carrying notes, impersonation) are referred to the Unfair Means Committee. Penalties range from zero marks in the paper to cancellation of all papers of the semester, and rustication in serious cases.
- Students must write only on the answer book given by the invigilator and must not tear pages or take them outside.

12.3 Library Rules

- The college ID card must be shown to enter the library and to borrow books. ID cards cannot be shared.
- Silence must be maintained. Mobile phones should be on silent. Food and drinks are not allowed. Bags are kept at the baggage counter.
- A late fine of Rs. 2 per day per book applies after the due date. A lost or damaged book must be replaced with the same edition, or the student pays its current price plus a processing fee of Rs. 200.
- Marking, cutting or tearing pages is a disciplinary offence. Students are checked at the exit. The library no-dues certificate is required at the end of the program and before the refund of the caution deposit.

12.4 Student Discipline

Level	Examples	Possible Action
Minor	Not wearing ID card, littering, mobile phone use in class, late arrival in class	Warning or fine of up to Rs. 500
Moderate	Damage to property, misuse of labs or Wi-Fi, repeated minor offences, disrupting class	Fine, recovery of damage cost, parent informed, suspension up to 7 days
Serious	Ragging, harassment, possession or use of tobacco, alcohol or drugs on campus, theft, violence, cheating by impersonation, forged documents	Suspension, expulsion from the college and, where required, a complaint to the police

The Disciplinary Committee, headed by the Dean of Student Affairs, hears each case and gives the student a chance to explain. The student can appeal to the Principal within 7 days.

12.5 Campus Behaviour

- Ragging in any form is strictly prohibited. Students and parents sign an anti-ragging undertaking at admission. The Anti-Ragging Committee and a squad take action on every complaint.
- The campus is tobacco-free, alcohol-free and drug-free. Respectful behaviour towards students, staff and visitors is required, and harassment of any kind is not tolerated. The Internal Complaints Committee (ICC) handles complaints of sexual harassment.
- Dress code: decent, formal or smart-casual clothes. Torn clothes and clothes with offensive slogans are not allowed. Closed shoes are required in laboratories.
- Mobile phones must be on silent in classrooms, labs, the library and seminar halls. Political activity, unauthorised gatherings and posters or banners without permission are not allowed on campus.
- Students must use college computers and Wi-Fi only for academic purposes, and must follow the IT usage policy. Installing unauthorised software or accessing illegal content is prohibited.
- Hostel residents must be inside the hostel by 9:30 PM and follow the hostel rules given by the warden. Visitors are allowed only in the visitors' area in the day time.
- Vehicles must display a parking permit. Helmets are compulsory for two-wheeler riders. Vehicles are parked at the owner's risk.

12.6 ID Card Requirements

- Every student receives a permanent photo ID card within 15 days of admission confirmation. Until then, the temporary ID slip must be carried.
- The ID card must be worn and visible on campus at all times. It is needed for entry to the campus, library, labs, hostel, examinations and for borrowing books.
- The card is not transferable. A lost card must be reported to the Student Affairs Office immediately; a duplicate card costs Rs. 200.
- Visitors must register at the main gate and carry a visitor pass.

13. Frequently Asked Questions

1. What is the full name of the college, when was it established and where is it?

The college is FutureTech Institute of Technology (FIT), established in 2008 by the FutureTech Education Society. It is at Plot 14, Innovation Avenue, Northfield Education Park, Harborview, Westmark State, on a 22-acre campus. It is affiliated to Westmark State Technical University (WSTU), which awards the degrees.

2. Which programs does FIT offer?

FIT offers BCA (3 years), BBA (3 years), B.Tech Computer Engineering (4 years), B.Tech Information Technology (4 years), MCA (2 years) and MBA (2 years).

3. What is the eligibility for BCA?

10+2 in any stream with Mathematics or Computer Science/IT/Informatics Practices as a subject, with at least 50% aggregate marks (45% for reserved categories).

4. What is the eligibility for B.Tech, and is an entrance test needed?

The candidate needs 10+2 with Physics, Mathematics and one more approved subject (Chemistry, Computer Science, Electronics, Biotechnology or Biology), with at least 50% in these three subjects (45% for reserved categories). Admission is based on a merit score from the Westmark Common Entrance Test (WCET) or an equivalent entrance score (60%) and 10+2 marks (40%).

5. Who can apply for MBA and MCA, and is work experience required?

MBA accepts a bachelor's degree in any discipline with at least 50% (45% for reserved categories). MCA needs a bachelor's degree with Mathematics at 10+2 or graduation level and at least 50% (45% for reserved categories). Work experience is not required for either program.

6. When do applications open and what is the application fee?

Applications open on 1 March and Round 1 closes on 31 May. The fee is Rs. 1,000 for undergraduate programs and Rs. 1,200 for postgraduate programs. It is not refundable.

7. How are MCA and MBA students selected?

Selection is based on the FIT-PGAT or an equivalent entrance score (50%), bachelor's degree marks (30%) and group discussion and personal interview (20%).

8. Which documents are needed for admission?

Class 10 and 12 mark sheets, transfer/leaving certificate, migration certificate if applicable, entrance score card, bachelor's mark sheets (for MCA and MBA), photo ID, four passport photographs, category certificate if applicable, and the signed anti-ragging undertaking.

9. What are the fees for each program?

The annual tuition fee is Rs. 65,000 for BCA, Rs. 60,000 for BBA, Rs. 1,20,000 for B.Tech Computer Engineering, Rs. 1,15,000 for B.Tech Information Technology, Rs. 85,000 for MCA and Rs. 1,10,000 for MBA. Year 1 totals including other fees are Rs. 98,000, 93,000, 1,53,000, 1,48,000, 1,18,000 and 1,43,000 respectively (see Section 3.6).

10. Can fees be paid in installments, and what is the refund policy?

Yes. Fees are paid in two installments: Installment 1 at admission and Installment 2 by 10 January. A full refund (except the application fee and a Rs. 3,000 processing fee) is given if the student withdraws on or before 10 July. From 11 to 31 July, 50% of the tuition fee and the caution deposit are refunded. After 31 July there is no tuition fee refund.

11. What is the minimum attendance required?

The minimum is 75% in each course. Students with 65% to below 75% can apply for condonation (Rs. 500 per course). Below 65%, the student is detained in that course and must repeat it.

12. What are the passing marks?

A student needs at least 40% in the end-semester examination (24 out of 60) and at least 40% in the course total (40 out of 100). For lab courses, at least 20 out of 50 in the external practical and 40 out of 100 in total. The minimum CGPA for the degree is 5.0.

13. What happens if I fail in a course?

You get grade F and can appear in the re-examination. Odd-semester backlogs are held with the May examinations, and even-semester backlogs with the December examinations. The fee is Rs. 800 per theory course and Rs. 500 per practical course. A course can be attempted a maximum of four times.

14. How is internal assessment calculated?

Internal assessment is 40 marks per theory course: mid-semester tests 20, assignments and quizzes 10, lab work or class participation 5, and attendance 5.

15. When do the semesters and examinations take place?

Classes for the odd semester begin on 20 July and the end-semester examinations are held from 3 to 20 December. The even semester begins on 5 January with examinations from 4 to 22 May. The summer vacation is from 23 May to 19 July.

16. Does FIT have a hostel and college transport?

Yes. There is a boys' hostel (240 beds) and a girls' hostel (160 beds). The hostel fee is Rs. 96,000 per year including mess, plus a refundable deposit of Rs. 10,000. College bus service costs Rs. 18,000 per year.

17. What are the library timings and borrowing limits?

The library is open Monday to Saturday, 8:30 AM to 7:00 PM (till 9:00 PM during end-semester exams). UG students can borrow 3 books and PG students 4 books for 14 days. The late fine is Rs. 2 per day per book.

18. What are the placement results and who can sit for placements?

In 2025–26, 369 of 450 registered students (82%) were placed. The highest package was Rs. 18.5 LPA and the average was Rs. 4.8 LPA. Students need a CGPA of at least 6.0, no active backlogs and 75% attendance.

19. Are internships compulsory?

Yes. B.Tech students do an 8-week internship after Semester 6, BCA and BBA students a 4-week internship after Semester 4, and MCA and MBA students a 6-week internship after Semester 2.

20. What scholarships are available?

FIT offers an Admission Merit Scholarship, Academic Excellence Scholarship, Need-Based Financial Assistance, Women in Technology Scholarship, Sports and Cultural Excellence waiver and an Armed Forces Family Concession. Applications are due by 31 July. The total waiver cannot exceed 50% of the tuition fee.

21. Does FIT offer lateral entry, Ph.D. programs or distance learning?

No. At present FIT offers only the six full-time programs listed in Section 2. Lateral entry, Ph.D. and distance programs are not offered.

22. How can I contact the college?

Call +91 00000 55100 or write to info@futuretech.example. The Admissions Office is open Monday to Friday 9:30 AM to 5:00 PM and Saturday 9:30 AM to 1:00 PM. See Appendix A for department contacts.
